

2023  4-H

University of Kentucky  
College of Agriculture,  
Food and Environment  
Cooperative Extension Service

# Summer Project Days

Registration begins **Tuesday, May 9<sup>th</sup>** at 10 am

**PLEASE READ ALL INSTRUCTIONS CAREFULLY!**

- **Please note that ALL projects will be kept for fair entry and will be released after the fair.\***
- Participant **must** have filled out a **2023 4-H Enrollment Form by April 28, 2023** to register for summer classes on May 9. Any enrollment forms received after that date will be noted and cannot register for summer projects until May 16th.
- School club participants **MUST** fill out a 2023 4-H Enrollment form to participate in Summer Project Classes.
- **Absolutely NO registrations will be taken before 10:00 am on May 9<sup>th</sup>.**
- Call 859-586-6101 or go online to [boone.ca.uky.edu](http://boone.ca.uky.edu) to register. Online registration is strongly encouraged. Please check your username and password PRIOR to May to be sure you are able to log in. If you have misplaced or forgotten your login information, go to [boone.ca.uky.edu](http://boone.ca.uky.edu) to reset your information. **DO NOT** create a new log in on your own. This will not work as 4-H'ers have a unique log in created with their membership. If you still need help, call the Extension office at 859-586-6101.
- Do not select **Project Days** that will repeat a class from another **Project Day**.
- Participants will remain at the Extension Office the entire day for **Project Days** (9 am-3 pm—unless otherwise noted).
- Participants should bring a packed lunch to eat during **Project Days only, unless otherwise noted.** You may also bring a mid-morning snack if you think you will need one.
- Participants **MUST** call to cancel if they are unable to attend any class for which they are registered. You may be dropped from future classes if you miss too many classes without cancellation.
- Participant needs to be on time for morning class. If late, the participant may not be permitted to complete the activity already in progress, but they will be expected to stay with the class to continue with the remainder of the **Project Day**.
- Materials are provided unless otherwise listed, and are purchased based on registration. We do not keep extra materials on hand, so **DO NOT SHOW UP FOR CLASSES FOR WHICH YOU ARE NOT REGISTERED.**
- Participants on waitlists will be notified if an opening occurs for a particular **Class** or **Project Day**. Do not come to the office hoping to make it into a class. The next person on a waitlist is the one entitled to be in the class.

## Location Key

 The Extension Office is located at 6028 Camp Ernst Rd, Burlington.

 The Enrichment Center-Project Room is located at 1824 Patrick Drive, Burlington. Enter on the upper level adjacent to the Farmers Market. (This will be the side not facing Burger King)

 The Environmental & Nature Center is located at 9101 Camp Ernst Road, Union (across from Central Park). Classes that are held at the Environmental & Nature Center meet there. **DO NOT** come to the Extension Office for those classes.

 The Ellis House is the white house next to the Extension office. Enter from the porch facing the Farmers Market.

**Participants should bring a packed lunch for project days.  
All supplies furnished unless otherwise noted.**

Project Day Class	Description	Notes
Acrylic Painting	We will create art using Acrylic paints.	Skill Level-Easy.
Block Printing	Design & carve a block of linoleum & use it to print the design onto paper.	Skill Level-Moderate. Warning: The tools are sharp.
Butterfly House	There are many insects that are environmentally positive. Give them a home by making your own Mason Bee House.	
Candle Making	Learning how to make different types of candles.	We will be working with hot wax & hot plates.
Collages	We're going to make a texture collage & a color collage. Let's get creative!	
Container Garden A	Create multiple container gardens & learn how to maintain them.	Fairy Garden Hanging Basket Herb Garden
Container Garden B	Create 2 container gardens & learn how to maintain them.	Window Box House Plant
Cross Stitch Project	We will be cross stitching on a stamped cloth.	Some hand sewing experience helps in this class.
Electric Circuit Project	Learn about electrical systems in residential houses. Build your own circuit including light, outlet, & switch.	
Fudge and Brownies	Let's get cooking!!!	Some prior experience would be helpful.
Glass Etching	Learn the technique of etching on glass.	
Ice Candles	Come learn how to make candles with ice.	We will be working with hot wax & hot plates.
Leaf Collection Part 1 & 2	Explore the woods to collect leaf specimens on the 1st day, then learn how to press and dry them. For the 2nd class, we will label & mount the leaves.	Must attend both Project Days.
Memo Board	Save your memories on a new memo board.	Bring 1 yard of fabric & a spool of matching ribbon.
Polymer Clay Jewelry	Create jewelry pieces from Polymer Clay	
Rustic Lamp Project	Create a simple Rustic Desk Lamp while learning simple electrical principles & how to wire a lamp.	
Sun Print	Create a nature print using specialized paper.	
Wastebasket	Repurpose an old wastebasket.	
Watercoloring Class	Learn to watercolor paint using professional materials.	June 30 OR July 6
Wire Jewelry	Craft a unique necklace using wire and beads.	Skill Level-Easy
Wire Sculpture	Design & create a wire sculpture.	Skill Level-Moderate.

Individual Class	Description	Notes
Artisan Mask Class	Learn how to make artistic mask with a milk jug & paper.	Must attend both days.
Cardboard Sculpture	Design & create using layers of cardboard.	This is an all day project to be creative & details oriented. Bring your lunch! Skill Level-Moderate. Warning: Exacto Knife is sharp.
Clay Sculpture	Design & create a clay sculpture using armatures. This class is for children who can work on a project for multiple days and like to have an attention to detail.	Skill Level-Moderate to Advanced. Must attend both days. Bring your lunch!
Color Wheel Collage	Design & incorporate objects artistically arranged using the color wheel as inspiration.	This is an all day project. Bring your Lunch! Skill Level-Moderate.
Entomology Parts 1 & 2	Collect & learn pinning methods for different insect species.	Must attend both days.
Handmade Ukulele Instrument	Put together & learn to play a Ukulele!	
Mixed Media	Design & create art using Multiple Medias. This class is for children who can work on a project for multiple days & like to have an attention to detail.	Skill Level-Moderate. Warning: Burning Tools are very HOT. Must attend both days. Bring your lunch!
Photography	Take pictures for fair entries.	6/9 at Lutes Room 7/7 at Nature Center 7/28 at Claxon Room Must have camera or something to take pictures. Last class we mount photographs.
Pillow Case Sewing Project	Use a sewing machine to make your own pillowcase.	Must bring 1 yard of solid-colored cotton fabric & 1/3 yard of printed cotton fabric for the band.
Redwork	Embroidery item made with red floss.	Some hand sewing helpful.
Upcycle Project	This class will involve taking items that would be discarded & making them into new items.	This is an all day project. Bring your lunch! Skill Level-Moderate.
